

GUSTAVUS, ALASKA TRAVEL INFORMATION

The easiest way to get to Gustavus is via Juneau, the state capital. Alaska Airlines has daily scheduled flights from Seattle; flight time is about 1.5 hours. Alaska Airlines also flies to Gustavus, as well as the many daily flights with local commuter airlines that make the short flight from Juneau. We can also arrange for a scenic chartered flight if you would like to see more of the Lynn Canal or beyond by air on your way to Gustavus. Additionally, the Alaska Marine Highway System offers ferry service from Juneau to Gustavus; this trip takes about 4 hours. Sailings are bi-weekly during the busy summer months.

Please forward along your travel itinerary as soon as possible so we can make the appropriate pick-up/drop-off arrangements.

We will meet at the IWLS paddling center in Gustavus at 6:00pm the evening before the course to go over equipment, itinerary, questions, and expectations. We will return in the late afternoon on the last day of the course. Generally students spend the last night in Gustavus before returning home or embarking on their next adventure.
