

IWLS

International Wilderness Leadership School

ARGENTINA

Pre-Departure & Travel Information

Reminders

Please make sure you have completed the following before you course departure date:

- Registration Form (needs to be submitted along with a deposit to secure your space on a course)
- Health Form (45 days prior to departure)
- Rental Equipment Form (45 days prior to departure)
- Release, Acknowledgment of Risk and Indemnity Agreement (45 days prior to departure)
- Travel itinerary to IWLS office (45 days prior to departure)
- Copy of Passport to IWLS office (45 days prior to departure)
- Paid in Full (90 days prior to departure)

Argentina

Argentina is a beautiful, lively, country located at the bottom of the South American continent. It is home to many diverse climatic and geographical regions. Aconcagua and the beautiful Matienzo Valley are located on the country's western edge, near its border with Chile.

Mendoza

Mendoza is the starting and ending place for our trip. It can easily be reached by daily flights from both Buenos Aires and Santiago. Mendoza is a colorful city of approximately 500,000 people full of interesting history, markets and parks. It is located in the heart of Argentina's wine country and the climate is predominantly hot and sunny!

Arrival Information

Day 0: Pre-trip meeting at 6pm at Plaza Independencia.

Day 1: This is the start date listed on the website. Meet at Hostel Independencia at 9:00 AM.

We will have an IWLS representative available for pickup the day prior to the start date of the course. If you are arriving early in the morning or late in the evening please contact us for special arrangements. Again, please notify the IWLS office of your expected arrival or flight information as soon as possible and let us know of any delays or changes.

Airline Tickets

Make certain that your ticket matches the full name on your passport. Plan your arrival in Mendoza no later than mid-afternoon the day prior your course start date. If time permits, we recommend arriving one day early to provide leeway for any flight or baggage connection trouble. Please make certain that we have your flight and arrival information so that we can meet you at the airport! Always reconfirm your flights within 72 hours of departure time.

Airline Routing

Most flights go through LA, Dallas, or Miami, to Santiago Chile, and then connect to Mendoza. It is also possible to schedule flights through Buenas Aires, Argentina.

Baggage

Typically you are allowed one 50 lb. bag at no extra charge. For an additional bag or for bags weighing 50-70 lbs. there is usually an additional charge. It is often cheaper to have two bags over 50 lbs. than a third bag. If you travel through other countries for a stopover you may be charged excess baggage fees for anything over 44lbs. (20 kilos) each flight. If possible, pack your backpack and gear inside a large duffle bag. Check with your carrier for additional information.

Photocopy all Documents

Make certain to copy your passport, airline tickets, credit cards, traveler's checks, immunization book, etc. This can be very helpful in the event that anything is lost or stolen. It is also a good idea to send an electronic copy of your documents to a personal email account.

Passport

A passport is required for all international travel with IWLS. Please make a photocopy of your passport and send it to the IWLS office. Check the expiration date of your passport and have it renewed. Some countries will not allow you to enter the country if your passport expires within 6 months of your return date.

Visas

No visa is required before arriving in the country.

Reciprocity Fees & Proof of Payment

Although a visa is not required in advance, in late 2009 Argentina initiated a reciprocity fee in response to Canada, the United States and Australia charging fees to visiting Argentines. As of August 2016, Argentina has suspended the reciprocity fee for U.S. citizens.

Canadian & Australian visitors to Argentina are still required to use a pre-paid on-line program to pay the reciprocity fee **before** departing their respective countries.

TO PAY RECIPROCITY FEES ONLINE

1. Start by entering this website: <https://reciprocidad.provincianet.com.ar/Default.aspx>, clicking "sign up" below the username/password prompt, and register.
2. Complete the form including personal and credit card details. This information and the entry code will be sent electronically to the DNM (Argentine Customs).
3. If you need to create a new form return to the login page, under the login button will be a CLICK HERE link
4. After payment is processed, print the receipt.
5. If you need more assistance please refer to the other 'online payment guide' provided by MGI or click the link below:
http://www.migraciones.gov.ar/pdf_varios/reciprocidad/Online_payment_instructions.pdf
6. Be ready to show this receipt to the ticketing agent before leaving your home country.
7. Upon arrival in Argentina, go to the DNM Office and present the printed receipt.
8. The receipt will be scanned by DNM staff and the data will be validated to enable entry to Argentina.

Immunizations

There may be some suggested immunizations based on the location of your course. We recommend that you check with your doctor for the most current immunization information. Another good resource is the [CDC website](#). If you have received immunizations, either in the past, or for this trip, make certain to bring your immunization book/card.

Local Transportation

Mendoza has an extensive public transportation and taxi network.

Currency

As of August 2016, the exchange rate for USD to ARP was 1:14, this exchange rate frequently fluctuates. To stay up to date on current exchange rates see [Exchange Rates - Argentine Peso](#). We recommend bringing some cash to Argentina as you will receive the best exchange rate at local “cambios” and avoid long lines at the bank. ATM's with the Cirrus network are widely available and also work well. You can usually withdraw up to \$250 a day from your account, check with your bank before traveling.

Language

Spanish is the language in both Argentina and Chile, but English is common.

Spending Money

We recommend bringing at least \$500 USD for international courses in cash or travelers checks. This money is to cover any personal expenses before and after your course. If you are planning on traveling in-conjunction with your course the suggested amounts above may not be enough. Always carry a credit card for emergencies as well, however they are not accepted in all locations so make sure you have enough cash for the necessary expenses.

Time Zones

Mendoza is Eastern Time Zone +1 hour (March – November), and Eastern Time Zone +2 hours (November – March). Mendoza does not observe daylight savings time.

Photography

A small, lightweight, digital camera is recommended. If you use a digital camera consider how many batteries and memory cards you will need to bring. Remember to keep the bulk and weight to a minimum.

Food

Snack food may be difficult to locate in international locations so flexibility is key. Avoid all foods washed with water as many sources may be contaminated, examples of these foods are lettuce and unpeeled fruits and vegetables. Your instructors will provide you direction in your food choices but the decision of what to consume is ultimately your responsibility.

Cultural Considerations

When travelling internationally special attention needs to be paid to local customs and laws. For example in some Latin American cultures it is considered unacceptable to wear shorts in public. Another consideration would be the display of wealth in an impoverished area; this can be seen as disrespectful and possibly lead to unwanted confrontation. We recommend reading up on the customs of the area that you are travelling to prior to your departure, The Lonely Planet is an excellent resource. Please consult your instructors for information specific to your location.

Drinking Water

All of our water will be treated with Iodine, water filters, or boiling. To be safe treat all water or drink bottled water, before any big trip. The Polar Pure Crystal Iodine system is convenient and works well.

Medical

Please consult your physician and have them complete the health form provided by IWLS. If you require any personal medications, or, have any pre-existing medical problems, make certain to re-confirm with your guide upon arrival. Furthermore, IWLS requires that all students have their own health insurance. Individuals are solely responsible for any medical costs, including all associated rescue, evacuation, and transportation costs. Please take time to review your medical insurance policy. Make certain that your coverage extends to the location of your course, and that it provides coverage for any potential, associated, costs. Many policies will provide coverage for travel abroad for a small additional fee. AIG travel guard, listed below, offers temporary health insurance for an additional fee.

Medications

Please make sure you have the following medications for personal use on your IWLS course:

- All prescription and/or non-prescription medications you are currently taking.
- A broad-spectrum antibiotic prescribed by your doctor (this is required).
- Aspirin or Ibuprofen

The following high altitude medications are required, in conjunction with the general medications listed above, for all IWLS courses that go above 15,000ft. (Mexico Volcanoes, Ecuador Volcanoes, Aconcagua, Kilimanjaro, Nepal):

- Acetazolamide, also known as Diamox can be taken to help in the acclimatization process and/or to relieve the symptoms of Acute Mountain Sickness or AMS.
- Dexamethasone, also known as Decadron can be taken to relieve the symptoms of High Altitude Cerebral Edema or HACE.

Travel Insurance

Travel insurance is required for international courses and highly recommend for domestic courses. In many case travel insurance will cover medical expenses, evacuation costs, lost baggage, travel delays, and other costs in the event you need to cancel your trip. We have worked with almost every provider of travel insurance and feel strongly that the Adventure Travel Protection Plan from AIG / Travel Guard is the best one available. It is one of the only plans that covers high altitude climbing and has significant benefits if purchased within 15 days of making your trip deposit. Details can be found on [our website](#).

Will there be a place for me to store my things while I'm on the course?

Yes, we can arrange with your hotel to store extra belongings while you are on the course.

What should I bring on the first day?

All your personal clothing and equipment for your course.

Lodging / Hotels

There are several lodging options that we use in Mendoza.

The Hostel Campo Base is centrally located and affordable. The address is Av Mitre 946, 5500 Mendoza, Argentina. The phone number is: +54 (261) 429-0707 and the website is <https://www.facebook.com/hostelcampobase/info>

The Hostel Independencia is also a great option. The address is: Avenida Mitre 1237, 5500 Mendoza, Argentina. The phone number is: +54 251 423-1806 and the website is: <http://www.hostelindependencia.com.ar/>

The Hotel Carollo is a nice, mid price range hotel that is also centrally located. The address is 25 de Mayo 1168. The phone/fax numbers are: 061-235666 / 23567 / 23568 and 23569. The email is: reservas@hotelcarollo.com. We have worked with the Carollo for a number of years, and have always received great service. The rooms are approximately \$60 a night for a double.

The Hotel Imperial is where our guides generally stay because of the open space available for packing and relaxing in a group. Due to its location it is a bit noisier and busier though.

The website is: <http://www.capsulab.net/web/hotel-imperial-mendoza/>

International Wilderness Leadership School

Training and Fitness

Your course will consist of long days of moderate activity which will require good aerobic (endurance) conditioning. You should create a well-rounded work out plan prior to your course which combines endurance, strength, flexibility and balance. Depending on the nature of your course the training program will vary slightly but the underlying principle should be aerobic conditioning. Examples of aerobic exercises include running, cycling, Nordic skiing, and swimming. Ideally you want to start your work out with a warm up of 5-10 minutes at 50-60% of your maximum heart rate, then continue for another 20-60 minutes at 65-80% of your maximum heart rate, and finish with a cool down of 5-10 minutes at 50-60% of your maximum heart rate. This should be practiced 3-4 times a week for up to eight weeks before your course start date. A strength training workout (ie. weight-lifting) could be a good supplement to your work out plan, but not a substitute. Good conditioning will not only improve your chances for success but will also improve the quality of your course. Don't hesitate to contact us if you have any questions on specific training programs. The possibilities are endless, so get creative and have fun!

IWLS Instructors

IWLS instructors are widely recognized as some of the very best in their field and have practical leadership experience from around the world. They are well trained and are enthusiastic about sharing their skills and knowledge. IWLS leaders are technically skilled, passionate about wilderness, and committed to each and every student. Their dedication insures each student an educational experience that will exceed their expectations!

In addition to the technical skills, IWLS instructors are equally experts in the “soft skills” of risk management, client care, and group dynamics. Not only will they insure a quality experience for each student, but will also work to impart this judgment to them.
